#### ANNE DAVIS REPEATS LIKE A GOOD MARE.

Mr. Haves's Filly Leads and Beats J. W. O'Neill in Five Fur long Race.

OUDENARDE IN FINE FORM.

Mr. Boardman's Little Horse Runs a Brilliant Race—Kaffir Beats Taby Tosa and Found in Handicap.

Anne Davis displayed nice speed and the Fair Grounds yesterday. She led him every leap of it and won easily by two lengths in 1:10

As the track is slower than when Miss Crawford won her races, it was as good a performance as any of the Darden filiy's from a time standpoint. Anne Davis only carried 100 pounds, however, while Miss Crawford took up 110 and ran in 1:013, Stat Anne would probably do better with ten pounds and Troxler up than with 160 and a small lad riding. She is a giantess and looks more like a 3-year-old than a 2-year-

The racing was very keen and formful Cardwellton, Anne Davis, Kaffir, Onde-narde and Jake Weber all won, and deserved to win. They were all well backed. Oudenarde ran a very brilliant race. He got off last on the outside of a large field, at the seven and one-half furlong pole came around it in easy style, and won as he pleased. He went the long way and was much the best. He can beat better horses over a distance.

Wilson sat a bit too high and stiff on Kaffir, but rode him a good race, especially in the stretch, Watson was a bit heavier than Booker on Taby Tosa, and the little gray did not carry him as well as the Darden boy. Found had too much weight and stopped after running a hard race.

Sweet Dream was held at the ridiculous price of 4 to 5, in the last. She was a legitimate 3-to-1 shot, and ran that way. Fr. Gumberts always gets three points the worst of prices on his horses, and the public falls with him.

CROIX D'OR SHOULD WIN HANDICAP. A Good Rider Should Be Able to Land Mr. Mulkey's Horse in Front To-Day. If Mr. Avis puts Wilson on Croix d'Or the sprint handlcap to-day will be a mere walkin for that colt. Mr. Maginn has put weight on him for getting beat last time. That is right. He should have won easily. He will right. He should have won easily. He will win to-day if he is ridden well. Malster and Santa Ventura should attend him home. Malster was a shade short last time, and will do well to-day. Happy Chappy is fast in well and will run an improved race, but Croix d'Or should beat him at the weights.

On his class and ability to carry weight Leonld should win the fifth event. He can carry a house as well as 108 pounds. Ladas is a good weight-carrier, and will be close to second money. He will beat Dawson this way rigged on a dry track. His best race in the mud was behind Dawson this way weighted. Lunar should be a good third.

Hegira should land the second in easy style. She is a sister of the Lady Elgiva, a good race mare. Doctor Clark should be second and Chandoo third.

Poseur and Dolly Hayman have been primed for this race, and large sums of money will be bet on them. Poseur ran a nice race last time for six furlongs. She will do much better to-day. But Mr. Mewill do much better to-day. But Mr. Mc-Lemore has given Dolly Hayman a long 'prep' for this race, and she is a much improved filly. She is a gamer and better class than Poseur and is fitter. She ran a good race behind Sylvia, Talbot and Vestry. Vestry can beat Poseur handily. Mabel Winn could not beat Orleans last time, and will not get much unless she has improved greatly. Lady Charlotte was a good filly last year and her last race was good. She has had a good freshening up, and will go well. Alice Turner does not seem to possess anything but good looks, and cannot be given much of a chance.

Detroit, Mich., June 18.-W. F. Schult's colt, Batts, 5 to 1, won the Kindergarten Stakes at Grosse Pointe to-day. He was saved until the stretch run, where Marshal Ney, favorite, was pocketed and could not get out. It rained all afternoon and the track was sloppy. #### DERBY DARK HORSE IS 200-TO-1 SHOT. -

Bonnie Burr, Who Won One Race as a Two-Year-Old, Is Announced a Certain Starter.

FORE AND AFT'S GOOD WORK

Negotiated Derby Distance in 2:36 1-5 Handily With 115 Up-Claude Right on Edge-Betting Heavy.

Chicago, June 18.-Nineteen horses are now regarded as certain starters in the American Derby Saturday afternoon at Washington Park. Instead of diminishing as the day of the race approaches, the probable field is increasing. The race was never so open in its history, despite the fact that Savable is still a 2-to-1 favorite. The annual "dark horse" for the Derby came to light this afternoon. He is Bonni Burr, a 250-to-1 shot, owned by W. H. Sayre. The owner sent a message that the colt had been shipped from Cincinnati and announced him as a certain starter. Nothing is known of Bonnle Burr here. He won

a race as a 2-year-old. Fore and Aft, the winner of the Cumber land Derby, who is regarded as a danger-ous candidate, received his Derby workout to-day over the Washington Park track. He covered the mile and a half in 2:361-5 and did it handly with about 115 pounds up. His time was: One-eighth ::3: onequarter, :242-5; half mile, :50; five-eighths. 1:06%; six furlongs, 1:16; seven furlongs, 1:28, one mile, 1:414-5; mile and a quarter, 2:101-5; mile and a half, 2:361-5.

Many of the Derby candidates have been given so much racing that the usual final workouts were not run this morning. Claude was only galloped over the route. M. J. Daly, who has already won three derbies with the colt, thinks the horse is on edge right now. The following horses, with their odds, are

put down as pr	obable	starters:
The Picket Dick Welles Au Revoir	8 to 1 6 to 1 12 to 1 12 to 1 12 to 1 15 to 1	Gregor K

Betting on the Derby is unusually heavy. The recent public play is on Judge Himes, and his owner, Charles Ellison, is said to stand to win £3,000 on him.

The crowd probably will be the largest in the history of the race, if the weather is favorable. Rain now will mean a slow track for the Derby. The Washington Park Club announces that the no-recall system of starting will be used. of starting will be used.

of friends, will witness the race from the

London, June 18.-King Edward, Queen Alexandra and other members of the royal family drove from Windsor Castle to Ascot to-day in semistate, with postilions and outriders in scarlet and gold liveries. The gold cup was won by Maximum II. Rising Glass was second and Elba third. Archibald McIntyre, the American Jockey, rode the winner. Maher rode Elba. New Topmast Rigged on Reliance. New York, June 18.—The cup yacht Reliance, which lost her topmast yesterday, was at the City Island to-day undergoing repairs. A new topmast arrived from the Herreshoff shops in Bristol, and a squad of risgers set it up. The Reliance was then taken to New Rochella.

New York, June 18.-Struggling courageously for success, two thoroughbreds that had been carefully trained to the minute for the Suburban Handicap led their field into the home stretch at Sheeshend OWNERS AND JOCKEYS

Africander was the winner, dividing the honors with that honest and consistent old campaigner. Herbert, game son of Albert and Bonnie Ola, which for five sersons has been performing—generally meritoriously—on the metropolitan tracks.

Charles Dwyer and Simeon Doimel, proprietors of the Hampton stable, in whose colors Africander ran, won \$15,680 in the stake and made a generous present to little. Fuller, the New Orleans graduated jockey who piloted their horse to a stirring victory. They had also backed the horse at 100 to 1 in the winter betting, driving his odds to 59 to 1.

Thirty thousand persons saw the race and few bet on the winner. Shricks for Old Her bert, who seemed sure to win in the stretch, shriled loud from every point, and cries or encouragement greeted Odom when he mounted the stairs of the judge's stand to loder his claim of fau.

mounted the stairs of the judge's stand to lodge his claim of four.

Little Fuller was enjoying the first fruits of victory and, seated in the floral horseshoe, was being borne across the lawn. He paled a bit when suddenly summoned from that height of jockey pride to face the judges, but set forth his case well and Od-om's claim was not allowed. Five minutes of intense anxiety, in which even the women were quiet, passed before the red board went up. Horsemen, although agreeing that Africander and Herbert bumped in the stretch, were of the unanimous belief that the best horse won and that Africawould also have been first with clear sailing.

PITTSBURG PHIL WON THIRTY THOUSAND DOLLARS.

It was a pretty procession passing the stand on the way to the starting gate. Hermis, with Redfern up, led the way, followed closely by his stable companion, Yardarm.

While the field was in the hands of Mr.
Fitzgerald, the starter, a rush was made
for the betting ring by half a dozen men,
who proved to be commissioners of George
E. Smith, better known as "Pittsburg
Phil."

At the last moment Mr. Smith had decided At the last moment Mr. Smith had decided to back Africander, and he told his representatives to get down the money as rapidly as possible. His commission was about \$5,000, which was bet three ways. He averaged 12 to 1 for the money bet on Africander to win and 5 to 1 of that bet on the colt for second place; 2 to 1 third. He won about \$50,000. His commissioners were still putting down his money when the cry went up, "They're off."

GOT OFF POORLY. Thirteen hours of steady rain had turned track into a quagmire, and the time, the track into 2 quagmire, and the time, 2:10 2-5, was the slowest since 1887.

To a prompt but not good start the field got away, with Articulate slightly in the lead of hermis, Lux Casta, the added starter, close alongside, and Herbert fourth.

Colonel Bill, Articulate and Igniter formed a second division behind the leaders, while Major Daingerfield, the 7 to 2 favorite, was far back.

HERMIS FELL BACK

AFTER GOOD FIGHT.

Africander became a most dangerous factor when the three-quarter mark was passed. The heavy impost, swift pace and the deep mud told on Hermis here, and he began to fall back.

Africander headed him, and Herbert, too, dashed past Mr. Thomas's \$9,000 horse.

Heno was in the middle of the field, while Major Daingerfield was creeping up. Africander and Herbert spun away from the tiring Hermis as they reached the last turn and the race was plainly between the two.

Little Odom took Herbert into the stretch for the better going near the outer rall. To the astonishment of onlookers Fuller cut across with Africander to the outside also, and the two horses bumped together, Herbert on the outside and almost against the outer rall a sixteenth of a mile from home. Then arose cries for "Good old Herbert" so many times a contestant for the big handicaps. Gaining surely were the blue and white squares as they neared the finish. Fuller had not called on Africander for his last effort, however. When he did bring down his whip the response was instant. The sturdy 3-year-old leaped forward, swerved for a stride in front of Herbert and then ran straight and true, winner by a head.

kind. Shields's dogged little bay had picked up his field one by one, and when they turned into the stretch, he had reached sixth position from fifteenth.

Michaels saved ground on the turn and the horse, coming with a splendid burst of speed, was third at the wire, four lengths tehind Herbert and six lengths in front of Major Daingerfield. Hermis finished thirteenth and Articulate fourteenth, with Yardarm last.

Africander opened and closed at 15 to 1 in the betting; Herbert opened at 20 to 1 and closed at 15 to 1, and Hunter Raine was backed from 15 to 1 to 12 to 1.

Bred on the Rancho del Paso farm of J. B. Haggin, Africander was brought East and sold as a yearling to Julius Fleischman. Dwyer & Deimel bought Africander for 10,000, and at their dissolution sale last September put him up at auction. They reconsidered their plans, however, and bid in the colt at \$14,000.

Africander won the famous Belmont Stakes and other races this year.

No. 13 was Africander's number on the programme, as it was of Irish Lad, winner of the Brooklyn Handicap.

The Whitneys, father and son, withdrew their entries, Goldsmith and Irish Lad, on the advice of their trainer, John W. Rogers, who said neither could do himself justice in the deep going.

Aristocracy, with Connell up, won the double event, for 2-year-olds. The Mirthful colt was quoted at 2s to 1, and, leading from start to finish, almost, won by the and a half lengths from the favorite, Dimple.

Major Daingerfield had made his bid at the head of the stretch, but was dangerous W. A. COOK, M. D., Medical Co., 610 St. Louis.

Major Daingerheid, the 7 to 2 favorite, was far back.

Hermis, carrying 128 pounds, went to the front passing the stand, lapped by Articulate. Lux Casta and Africander. The Dwyer horse was lucky at the first turn. There the rear of the field swung wide and Hunter Raine, whose splendid race was a feature of the contest, was carried over almost to the paddock gate. He was last by two lengths as they sraightened out in the back stretch. Hermis, like the Hermis of old, swung into the straightaway after the first turn two lengths in the lead. It was this game little fellow that made the only pace in the race and killed off sterling competitors, but died himself in the destruction of his rivals.

Africander became a most dangerous factor when the three-quarter mark was
